How to Reach & Where to Stay

From the Director

by the Covid-19 pandemic impacting all walks of life at all levels, across social groups, political affiliations, religious and geographical boundaries, and other forms of identities. Devastated by numerous deaths across the world, particularly in India, we have come to realize for the first time after Independence how vulnerable we are to such natural and human-made calamities. Even the most developed of the nations looked helpless in the wake of the first two waves of the pandemic. Apart from various sectors, such as education, health, manufacturing, to name a few, having been adversely affected by the pandemic, employability of the promising and dynamic young graduates has been one of the major concerns of all institutions of professional and higher learning.

How did XISS respond to the pandemic? There was a professional approach all along in 'responding' and not 'reacting' to the pandemic.

First, being a socially conscious school, XISS went out of the way to initiate collaboration with the district administration to save as many lives as was possible by preparing dry ration kits for distribution in some of the sensitive and red zones of Ranchi, engaging in blood donation and vaccination camps on the campus, collaborating with the 21 district administrations for vaccination promotion and Covid Appropriate Behaviour (CAB) in partnership with UNICEF, fund-raising for helping out the migrants, and so on.

Second, A quick adaptation to the virtual mode of classes, meetings, national and international webinars, exams, admissions, convocations, counseling, new projects, consultancies, MDPs, FDPs, MOUs with various organisations, etc., was another milestone of the Institute during the lockdown period. The placements for 2022 is again going to be on an online mode. Hence, the students are being prepared for the same. In order to do that online mock Group Discussions (GDs) and Personal Interviews (PIs) will be facilitated by different faculty members and will continue as we progress. The students have been instructed to prepare among themselves as well in coordination with the placement representatives. The students will be mentored and counselled online in group as well as at individual level. The training and mentoring of the placement representatives will undoubtedly be very helpful.

Third, already before the pandemic when unemployment in the country was at all-time high and during the pandemic, XISS took up the challenge of placement of our graduates in some of the largest organisations. We started the placement season 2021 on a very cautious note at a time when job losses and slowdown in the economy were the buzz words. In this context, to have the opportunity of hosting 108 companies to participate in the process, was quite an achievement. Out of 108 as many as 56 were new recruiters. A total of 230 offers were made with the highest CTC of Rs 15 lakhs per annum. The overall percentage of placement in 2021 was more than 83 per cent. More are in the pipeline. I take this opportunity to congratulate and thank Dr Amar Eron Tigga, Dean and Central Placement Coordinator and his Team, for joyfully and committedly working hard to ensure that the last graduate of the college is well placed. I am sure that the joint effort of the Placement Cell and all other concerned stakeholders will bring to fruition their hard work, innovativeness and resilience.

Fourth, the XISS-Vision 2025 to find itself among the best B-Schools in the next five years, with its focus on academic rigour, industry interface, student-led activities and alumni relations, I am sure, will go a long way to ensure that the Business School XISS means business in facilitating students to make themselves "professionals with a difference". If one wants to be that difference, XISS is the right place.

Fifth, I truly admire the trust and respect we have for each other as mutual partners with various organisations. These corporates, as our important stakeholders, help us build the future of the nation, our students, in the best possible mold, which can shape the coming years of India. With an extremely rich legacy of 66 years, XISS is furthermore firmly determined to contribute positively to the process of knowledge-based, skill-based and exposure-based learning of our students who can, in turn, radiate the same dynamism when they are with the organisations. Our students are groomed keeping in mind the current needs and challenges of the corporate work environment. Our syllabus, academic inputs and corporate lecture series enable building foundation and thought process for a successful Corporate Career. We try to make our students as malleable and ductile so that they can be transformed in the prettiest of designs. Our students hail from different backgrounds, like Engineering, Pharma, Biotechnology, Commerce, etc., from different regions of the country. Our successful alumni are a testimonial to what we intend to do in the two years of curriculum. My invitation to all to visit XISS to see the diversity and a professional and a personal touch in shaping the future leaders of the organisations in the process of nation building. A warm welcome to XISS!

Dr Joseph Marianus Kujur, SJ Director

In this fast changing world, to keep pace with turnarounds in business arena, it is imperative acquiring the required skillsets, and therefore, in this regard, reskilling, resetting and updating are the continuous process to be effective in the business. Currently, business scenario has changed on account of the unprecedented pandemic that shook the whole world. In the aftermath of the pandemic an e-business or online business have shot up, business has become technological-driven much more than before, work from home is the order of the day, employees are more health conscious because the pandemic has created a precarious situation, GDP of the country has experienced a drastic fall, the organizations too have experienced a revenue stress. In order to face these hard realities, XISS has put its efforts collectively to guide and support students in the best possible manner to equip them with necessary skillsets. XISS is always committed to

impart value-based education. Be it offline or online teaching and learning, it does help students to acquire the power of resilience to navigate their target demanding work environment. I am pretty sure that teachings and blessings of our able faculties will make students perform up to the expectations in the upcoming placement season. I wish all the very best final year students who are going to sit in the placement. I invoke God's blessings that they come out with flying colours in their personal and professional careers and make our nation proud.

Best Regards

Dr. (Fr.) Pradeep Kerketta Assistant Director

From Dean & Chief Placement Coordinator

elcome to XISS, Ranchi!

It is a great pleasure for me to welcome you to the campus recruitment process of our institute.

In over six decades since its inception in 1955, Xavier Institute of Social Service (XISS), Ranchi has remained committed to the cause of educating and training leaders who contribute meaningfully to society. And, with the unprecedented challenging experience due to COVID-19, organisations are looking for leaders with empathy to sustain the humanity and growth. It has become the foremost skills for leading a business by taking care of 3Ps: Profit, People and Planet. XISS, from the beginning, believes in nurturing professionals, with a difference.

We have five programmes, approved by AICTE, which provide post graduate management degrees in Human Resource Management (HRM), Rural Management (RM), Information Technology (IT), Marketing Management (MM) and Financial Management

(FM). Our programmes are a transformational experience that give them perspective to deal with the changing realities of business and life. Outside the classroom, students engage in several activities to develop well-rounded persona.

At XISS, we continuously update our syllabus and teaching pedagogy to match the industry requirements. Students visit different places for interacting with various organisations besides various live projects, guest lectures by eminent corporate leaders in our campus.

I am sure that our students will be an asset to the organizations by contributing not only to the growth of the organisations but also to the development of people around them.

On behalf of my Placement Cell Team, XISS, Ranchi, once again I welcome you and your esteemed organisation to our campus recruitment process 2021-22 for the final and summer recruitments!

Dr. Amar E. Tigga,

Professor, Dean - Academics & Chief Coordinator - Placements

Vision

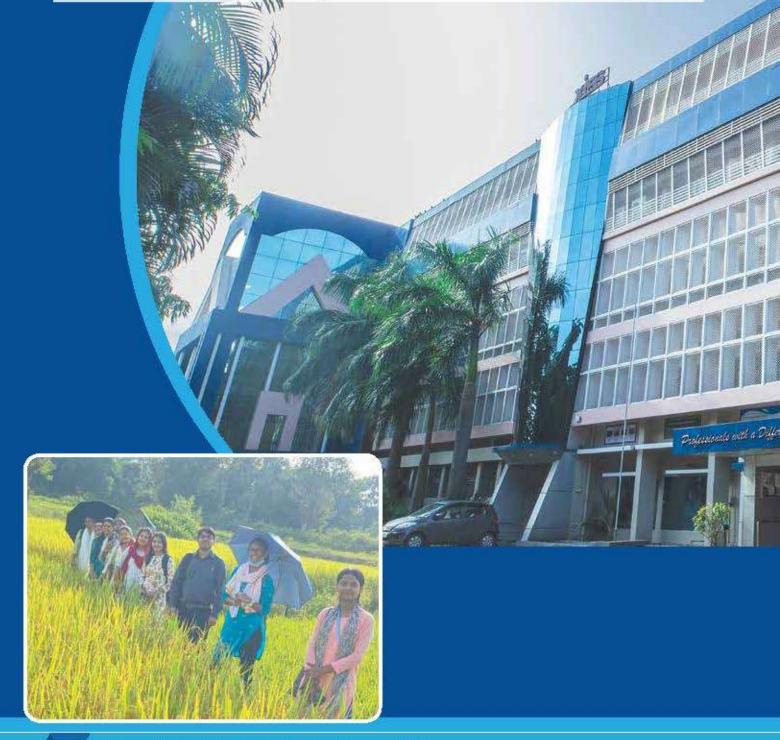

Mission

We envision a centre of academic excellence towards creating a sustainable society with peace, justice, and reconciliation.

 To become a leading management school in India by offering a portfolio of academic, research, social involvement and outreach programmes.

 To create leaders with conscience, compassion, competence, and commitment for sustainable development and empowerment of the marginalised.

Genesis

Living in a small castle because of his noble birth, the boy grew up to be well educated, with fondness for clothes, beautiful ladies and the unflinching sounds of battle. He thought of himself as a great soldier, and he was indeed one. Although he thought himself to be great lover, it seems that God had different plans for lnigo of Loyola.

2020 -

In 2020, the Covid-19 pandemic struck the entire
world threatening the very existence of human
lives, but these dark times helped to shine more,
justifying the moral and ethics inculcated in each
one of us. XISS took no time to understand the
need of those severely affected from the pandemic,
i.e. the downtrodden and migrants and took up
a mammoth task of helping each one by joining
hands with the District Administration in arranging
shelter homes, distributing dry ration and helping
senior citizens over toll-free helpline numbers.

XISS, in line with the Universal Apostolic Preferences (UAPs) of the Society of Jesus, has been working diligently towards the cause of standing with and for the society. In following this mandate seriously, XISS has begun awarding scholarships to the students nurturing the talent and recognising it as well.

2018 -

 XISS revisited to reconfirm its Vision and Mission statements, strategically inching towards it becoming a centre of academic excellence in the process of creating a sustainable society with peace, justice and reconciliation in the Eastern region.

The thought-provoking process was conducted in the august presence of the former Vice-Chairman, Governing Body (GB) XISS, Former Directors of XISS, Director XISS, Assistant Director, Faculty Members and Resource Persons. XISS is well known far and wide for its dynamic community of learned faculty and diverse students from across the nation. It primarily focuses on their educational goals simultaneously encouraging them in co-curricular activities while turning them into 'Professionals with a difference'. XISS is also actively involved in research, consultancy and development interventions for the society.

2015 -

 Diamond Jubilee year of XISS – 60 years of service to the nation – was remarkably celebrated amidst plethora of academic events and recreational activities strengthening the bond as XISS family. In its 60 years of existence, XISS has upheld the great task of imparting higher knowledge, critical thinking and academic rigour to prepare men and women, who serve and lead the society. Epitomizing wide, profound and solid learning, XISS has nurtured students to be fit in any arena of their life journey.

2014 -

 Today it has developed its own distinct identity to become one of the premier management schools of India in the fields of Human Resource Management, Rural Management, Information Technology, Finance and Marketing.

2007 -

 The Uniqueness of the professional education at XISS is that it promotes excellence in academic as well as in grassroots experience through rural camps & field works. This makes the students fit in any industry or organization at the local, national & international levels.

1978 -

• In 1978, it moved to its present site and over the years has grown in terms of both capacity as well as resources. From an extension center of St. Xavier's College, Ranchi, to becoming one of the India's most reputed educational institutions, the journey for XISS has all along been guided by the needs and aspirations of the region in which it operates. Education at XISS means sensitizing the students with appropriate values, attitudes and critical thinking tools that set them apart as 'Professionals with a Difference'. What started 66 years ago as a center of social service founded by the Society of Jesus, has today grown into a reputed business school.

1955 -

 Over the years many of them would take Francis Xavier as their patron because he, like Ignatius

became also Saint. Today one wonders. how many Indians have been educated at such prestigious institutions Xavier's Delhi. Mumbai, Kolkata, Jaipur, Patna, Ranchi, Hazaribagh, It was as a continuation of the tradition of such hallowed education temples that Initiated with a humble objective of training young men and women in Personnel Management, Industrial Relations and Rural Development & Social Welfare.

XISS has trodden a long path of glory and success.

1973 -

 Byln 1973, the Institute was registered as a separate educational society under the Societies Registration Act, 1960. Since then in history, it has been recognized as one of the most outstanding management schools in India.

1542 -

 While Jesuits were opening schools and colleges across Europe (hence nicknamed as the schoolmasters of Europe) Francis Xavier, a close friend of Ignatius came to Goa in 1542 and started many schools.

over the last 66 years.

1540 -

By this time he was known as Ignatius of Loyola who received from Pope Julius III, a
decree proclaiming that he and his little group of nine followers would happen to be
known as the "Society of Jesus" in the year 1540 in Rome. A new religious order came
into effect in the Catholic Church, one that would spread throughout the world and have
profound effects on many lives.

1523 -

 Gradually by God's grace he was transformed and had set his steps on the rocky path that would lead him to Salamanca, Paris, Venice, Jerusalem and Rome.

1521 -

Wounded in the battle of Pampalona in 1521 against the French, he resumed to his couch, enduring much
pain and boredom. Primarily to be free from his present state that he took on to reading the lives of great
saints like St. Dominic and St. Francis of Assisi and vowed to live a life like them.

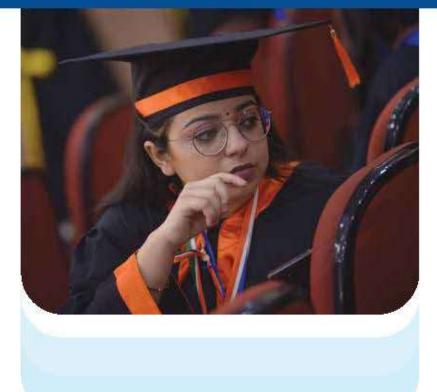

Nurturing Professionals, With a Difference

Social Service Field Work

uring their first year, teams of students are formed which are then assigned to various organizations involved in rigorous Social Work. These organizations work to brighten up the lives of the underprivileged children, including the physically challenged, the mentally challenged and the deprived village folk. Through social service field work

- Understand human values and social doctrine of society and culture
- Understand and exercise the social responsibility alongside professional careers
- Augment the momentum of social work and human skills

Industrial Tours and Rural Camps

The industrial Tours are imperative to the curriculum at XSS. It is instrumental in bridging the gap between the classroom teaching and the real business world. It serves the idea that students must know practical side of everything. Not only these camps provide academic relevance, but also expose students to different places letting them interact with industries directly.

Rural Camps - The mode of interaction with the rural people has undergone a sea change on the basis of first conviction that the situation demands the "normal" tendency to be reversed, in other words, the villagers are no longer the source from where the information is to be extracted. On the contrary, they are to be involved in the process in such a way that their ideas, analysis, choices, and priorities, which really count, can be elicited. It's an understanding and seeing the situation through the eyes of the villagers, the insiders and the people who are truly involved. Rural Camp has a definite purpose, and the outcome of this field activity is not only an in-depth understanding of the interaction between different social groups but also an action plan either for initiating concrete projects or for monitoring development actions.

Seminars and Conferences

The students organize various seminars, workshops, and conferences every year. These seminars, workshops, and conferences on the one hand expose them to international and national experts and on the other, help them to acquire planning, organizing and execution skills and experiences. Students also participate in various events organized by other institutions. They write and present articles and research papers on these events.

BEYOND CLASSROOM

Publications

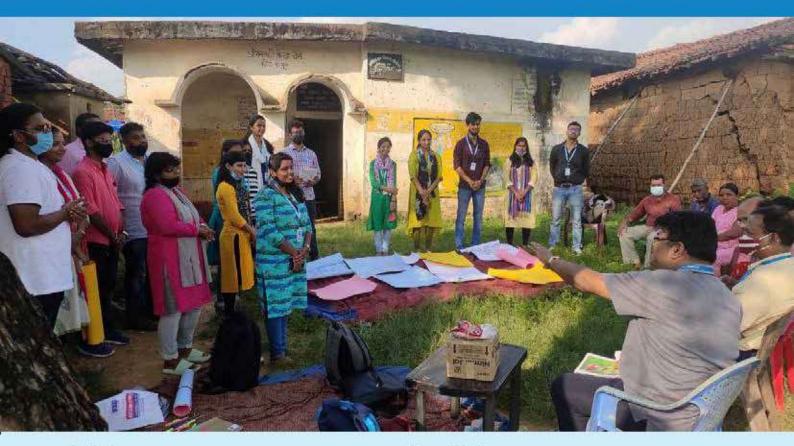

Journals: Jharkhand Journal of Development and Management Studies.

(JJDMS) is a peer reviewed multi-disciplinary quarterly journal regularly published by the Institute having ISSN 0973-8444 and NAAS Rating=2.59.

It welcomes research article in the context of development and management at global, national, regional levels. It provides a platform to the academicians, field workers students & social activists at large for sharing their views on research, planning & programmes, it seeks to explore ways of improving standard of living of rural folk by examining potential solutions of poverty, unemployment, malnutrition, environmental degradation, displacement, ethnic and gender discrimination, civil conflicts and lack of popular participation in development programmes. Its ambit also includes human resources in the arena of organizational development, total quality management, benchmarking, work culture, organizational leadership, information management and quality of life, public, private and tertiary sectors.

XISS Bulletin

A monthly news bulletin is published to keep people informed about development at XISS & about its various stakeholders.

Festivals

Festivals are an inevitable part of life at XISS that allow future managers to participate in various national, local and religious events. Such participation emphasizes on students understanding and appreciation of community festivals and other activities and helps them to be inclusive.

Panache

"PANACHE", the annual fest, symbolizes the true spirit of XISS, where a kaleidoscope of diverse talents is displayed in an atmosphere of healthy competition. It visions complementation of academic study with exposure to rural India & breeds networking in the world of art & media.

Alumni Meets

The students participate in the alumni meets organized at different metro cities as well as in the Institute to keep in touch with the alumni. The students also imbibe the true spirit of XISS from alumni as they share their professional experiences.

Sports

To let go the strain of a very demanding academic schedule, the Institute organizes various sports, tournaments including basketball and football matches which provide the students with a break from the rigours of intensive study and help them unwind.

Student's Community

Campus life at XISS is a rich blend of learning and fun. XISS campus foster community and gives students the chance to engage in all aspects of life. The students as partners share ideas and initiate changes, keeping in tune with the ever-changing corporate world. Students play a crucial role in improving their own skills and

create an exciting and innovative environment, which adds values to their life. At XISS, there is a common thread of exceptional talent and a desire for diversity. In this lively environment, each student feels inspired to exploit their potential to the fullest. The atmosphere creates deep lifelong friendships, a valuable business network, of course, but lasting personal connections above all. At XISS, the extracurricular activities not only provide a break from the rigours of intensive study but also bestow great opportunities upon the students to hone and showcase their talent and organizational abilities. Every year under the aegis of different forums and bodies, students involve themselves in recreational, cultural, intellectual, professional and charitable activities. The socio-cultural ethos at the campus play an important role in providing vibrancy to the life of a future manager.

Student's Clubs.

PRAKRITI- The Official Students Club of Rural Management Programme. "PRAKRITI" is the official students club of Rural Management Program, which is

one of the flagship courses of XISS. This programme has been a witness to a lot of changes and development in rural sector that took place since the establishment of this institution. Thus, "PRAKRITI" is an initiative to connect the present generation of students to most experienced alumni base and also link the corporate world to the rural sector in a way that every student and alumni achievements get a wide coverage and due recognition and the door to the professional opportunities opens for every individual who is a part of this sector.

CASC (Cultural & Sports Committee)

"CASC" serves as a platform for showcasing the students' sporting prowess and cultural activities like singing, dancing and dramatics.

PHOENIX (Promoting Human Operations & Event Nurturing in XISS)

"PHOENIX" is a democratic students' committee, which organizes management games, business quizzes, paper presentations, guest lectures and other knowledge sharing activities with the students, for the students and by the students.

AAXISS (Alumni Association of XISS)

Alumni association of XISS (AAXISS) was registered on 7th July 2017 and various chapters were established under its aegis. It is a platform which connects alumni, faculty and current students and celebrates the bond they share under the flag of AAXISS with common objective of personal and professional success as well as promotion of Institute's spirit.

MARKBUZZ-XISS Marketing Club

The Marketing Club of XISS is founded with the vision to enhance the knowledge of students by learning the latest trends and practices.

Library and Documentation Centre

The Institute has a wellstocked library containing over 45000 volumes of books, encyclopedias, journals, almanacs, and magazines. It subscribes to more than 150 periodicals and journals. The library provides CAS (current awareness service) through indexing services and new arrival list, both of which are computerized. It meets the academic as well as research requirements of students and faculty. The library subscribes E-Journal 'Emerald Management-Xtra' which contains materials of 130 journals and unlimited abstracts. The library meets the academic as well as research requirements of students and faculty.

Auditorium

The Institute offers a air-conditioned auditorium equipped with a seating capacity for 300 people, which is extensively used for hosting seminars, cultural events, and others. The Institutes auditorium is one of the most popular places in the city due to its strategic location, state-of-the-art-facilities, and ample space for parking in the premises.

Seminar and Conference Hall

The Institute houses a grand seminar, conference hall, airconditioned faculty lounge and

board rooms, which cater to the requirements of the highly demanding course curricula of various discipline at XISS.

Classrooms

There are 14 air-conditioned, big spacious classrooms with modern audio-video equipment's for effective teaching as well as learning experience. All the classrooms have lecture theatres setup with plenty of natural light and ventilation.

Guest House

The Institute also has a Guest House, which can accommodate 30+ participants for management development programmes.

Cafeteria

As equipped cafeteria caters to the needs and tastes of the students from diverse backgrounds. Hot and nutritious meals from the college canteen caters to the dietary requirements of the students. It has the capacity to host 150 students in one go.

Playground

The Institute has its own playground and basketball court which the students use to let off the stress of a very demanding academic schedule at XISS. Sports provide a break from the rigour intensive study and help the students to diffuse their stress.

Fitness Centre

It is said that 'An active mind lives a healthy body'. So going by these words, the Institute has a well-equipped, modern state of the art Fitness Centre in the campus. Services of a full-time trainers along with the best equipment's are available for the students.

Hostels

The hostel has full-furnished 175-seater hostel for girls and 120-seater hostel for boys in separate campuses. The configuration of the rooms are 1/2/3/4 bedded with 24 hours electricity back-up, internet connectivity and water supply. The hostel canteen serves nutritious and healthy food cooked under hygienic conditions. Faculty quarters in the girls' hostel campus ensures additional security and the feel home factor to the students.

The Spectrum of **Programmes**

ISS offers a wide array of top rated management education programmes. Together with its post graduate programmes, it offers excellent academic and development activities to prepare the business leaders of tomorrow.

We offer:

- Post Graduate Programmes
- Management Development Programme
- Training and Development
- Research and Planning
- Entrepreneurship Development

Non- Academic Programmes

Entrepreneurship Development Programmes

For all-round development of an area of a person, the need of economic development is a must. Once the pace of economic development is generated and maintained, the other aspects of development follow automatically. Xavier Institute of social service realized that this fact since very inception and acted suitably towards it. Consequently, it became one of the leading institutions in entrepreneurship promotion in India and abroad. With experience and enriched knowledge, and sufficient infrastructure, XISS, is keen to accept the challenge of training unemployed youths for self-reliance. The department has a separate premise situated about half akilometer away from the Institute, where it

has its own office, sufficient training rooms, classrooms, and residential facilities. It can accommodate about 40 persons at a time. Department of Entrepreneurship Development Programmes of national level exists since 1974. Since then the Institute has conducted a number of Entrepreneurship Development Programmes (EDPs) and vocational training programmes sponsored by apex funding agencies like, industrial Development Bank of India (IDBI),Industrial finance corporation of India (NSIC), National Small Industries Corporation (NSIC).Industrial Credit and Investment Corporation of India (ICICI), National Bank for Agriculture & Rural Development (NABARD), Small Industries Development Bank of India (SIDBI), National scheduled Caste Finance Development Corporation (NSFDC), Department of Science & Technology (DST), including Department of Industries, Government of Bihar and Jharkhand and Department of Welfare, Government of Jharkhand.

Research and Publication

This department was established in the 2002. Apart from introducing a quarterly journal on Development and Management Studies, the prime objective of the department is to publish various research works conducted by XISS.

Management Development Programmes

The MDP division has been established to contribute more effectively to the professional development of Indian managers and administrators. The programmes

general management to specific functional areas. The rationale underlying the design of these programmes is to meet the needs, expectations, and challenges of managing the trend of rapidly changing businesses. These programmes enable interaction and exchange of experiences among fellow participants from a wide variety of industries and organizations. Research and Planning

address current topics and concerns ranging from

The Department of Research and Planning has been functioning since 1978. It undertakes Research and Survey on behalf of Government Departments (Central and State), Semi-Government Agencies, Industries, and other voluntary organizations. It also takes up independent research projects on different current issues. The Department has setup a full-fledged GIS & Remote Sensing Lab. In addition to these, it also helps in imparting MDP on CSR for corporate heads & training for capacity building of the target group depending on the research conducted for implementing peopleoriented rehabilitation programmes and assisting the policy makers to make people oriented development plans. Our clients include, Ministry of Rural Development, Ministry of Agriculture, World Bank, UNICEF, ESSAR, NTPC, DVC, KRIBHCO, TISCO, TATA Power, HINDALCO, etc. Issue based research also strengthens people's awareness of their rights.

The Institute follows a three-stage admission procedure:

- All India Management Aptitude Test (XAT/CAT/ CMAT)
- Group Discussion of short-listed applicants
- Personal Interview

Human Resource Management

First Trimester

- Business Communication & Lab
- Case Method & Case Research
- Fundamentals of Labour Laws
- Management Information System
- Managerial Economics
- Organizational Behaviour I: Individual Behaviour in Organization
- Principles and Practices of Management
- Professional Social Work
- Quantitative Techniques for Managers
- Social Service Field Work
- Viva Voce
- Overall Performance Evaluation

Second Trimester

- Accounts & Financial Management
- Employment Relations Laws
- Fundamentals of Industrial Relations
- Human Resource Management
- Operations Research
- Organizational Behaviour II: Group Behaviour in Organization
- Social Research Methodology
- Societal Analysis of Society and Justice Concerns
- Total Quality Management
- Social Service Field Work
- Viva Voce
- Overall Performance Evaluation

Third Trimester

- Business Ethics
- Human Resource Development
- Human Resource Management II
- Industrial Relations at Workplace
- Marketing Management for HR Managers
- Organizational Behaviour III: Organizational Structure, Design and Change
- Production and Operations Management
- Qualitative Research Methods
- Strategic Management
- Social Service Field Work
- Annual Retreat and Industrial Visits
- Viva Voce
- Overall Performance Evaluation

Fourt h Trimester

- Business Laws
- Decision Support System
- Emotional Intelligence and Managerial Effectiveness
- HR Metrics and Analytics
- Human Resource Planning
- Industrial Jurisprudence
- International HRM
- Performance Management
- Psychology for Managers
- Industrial Tour
- Project Work
- Viva Voce
- Overall Performance Evaluation

Fifth Trimester

- Compensation Management
- Data Analytics using R
- Discipline Management and Dispute Handling
- Human Resource Information System
- Learning and Development
- Macro-economics
- Organizational Development
- Principles of Labour Administration
- Strategic Human Resource Management
- Talent Management
- Taxation
- Project Work
- Project Viva
- Viva Voce
- Overall Performance Evaluation

Sixth Trimester

- Business Environment
- Collective Bargaining
- Corporate Social Responsibility
- Employee Counselling
- Environmental Management System and Green HRM.
- Executive Compensation
- Gender and Development
- Managing Diversity at Workplace
- Social Legislations for Indian Managers
- Stress Management
- Supply Chain Management
- Introduction to Sustainable Development and Corporate Sustainability
- · Overall Performance Evaluation
- Viva Voce

Rural Management

- Society, Cultural Change and Structural Analysis
- Theories of Development
- Rural Economy, Entitlement and Development
- Child Rights, Gender and Development
- Development Administration, Programmes and PRIs
- Principles of Management & Organisational Ethics
- Communication for Development
- Quantitative Methods -I

Practical Exposures

- Soft Skills & Personality Development Lab I
- Urban Field Exposure (CO & SD)
- Institutional Visit (One)
- Performance Evaluation

Non-Credit / Credit Courses

- The Indian Constitution
- Yoga for Health

Second Trimester

- Micro Economics for Rural Development
- Agrarian Relations, Reforms and Contemporary Crisis
- Behavioural Science
- Human Resource Management for Rural Managers
- Financial Accounting
- Quantitative Methods II
- Social Research Methodology and PRA
- Research & Writing Skills

Practical Exposures

- Soft Skills & Personality Development Lab II
- Urban Field Exposure (Implementation of CD Project I).
- Rural Field Exposure (Rapport Building & S.E. Study)
- Institutional Visit (One)
- Block Placement
- Performance Evaluation

Third Trimester

- Macro-Economic Principles & Policies for Rural Development
- Organisational Behaviour
- Public Health and Sanitation
- Displacement, Resettlement & Rehabilitation
- Corporate Social Responsibilities
- Operations Research
- Computer Application & MIS & Computer Lab
- Climate Change and Sustainable Development
- Sustainable Management of Land and Water
- Project Management I

Practical Exposures

- Computer Lab
- Urban Field Exposure (Implementation of CD Project II)
- Rural Field Exposure (Learning & Practices of PRA & FGD)
- Term Paper
- Performance Evaluation
- Comprehensive Viva Voce (First Year)

Fourth Trimester

- Project Management -II
- Elective I
 - GIS & Remote Sensing
 - Livestock Production Management
 - Natural Resource Management & Commons

Entrepreneurship Development

Elective III

- Rurban Management
- Public Policy Analysis
- Disaster Management

Elective IV

- Sustainable Business and Green CSR
- Data Analytics for Rural Development

Elective V

- Rural Marketing
- Pratical Exposure

• SIP

- Summer Internship Report & OT
- Dissertation Work Progress
- Audit Course: Evaluation of GD & PI Skills by External Agency
- Performance Evaluation

Fifth Trimester

Crop Production, Organic Farming & Biodiversity Management.

Elective I

Agri - business Management

Elective II

- Training For Development
- Management of Institutions
- Social Entrepreneurship

Elective III

- Women Development
- Disaster Risk Reduction

Elective IV

- Management of Cooperatives, Producer Groups & SHGs
- Data Management

Elective V

- Social Marketing
- Rural Financial Services & MFI
- Practical Exposures
- Agricultural Field Practical
- Rural Field Exposure (PRA based case studies)

SIP

- Dissertation Work Progress
- Performance Evaluation

Sixth Trimester

Elective I

Livelihood Promotion & Skill Development.

Elective III

Social Justice and Social Action

Elective V

- Supply Chain Management
- Financial Management
- Micro Insurance & Risk Management

Practical Exposures

Study Tour

SIP

- Dissertation Work (Guide)
- Dissertation Viva- Voce (by External)
- Performance Evaluation
- Comprehensive Viva Voce (Second Year)

Information Technology

First Trimester

- **Business Communication**
- **Business Statistics**
- Data Analysis using Excel
- Information Technology for Management
- Managerial Economics
- Mathematical Foundation for Management
- Principles and Practices of Management
- Professional Social Work
- Business Communication Lab
- Urban Social Field Work
- Term Viva
- Overall Performance

Second Trimester

- Business Modeling using Excel
- Ethics for Computer Professionals and Cyber Laws
- Foundation and Basics of Organizational Behaviour
- Human Resource Management
- Macro Economics
- Marketing Management
- Operations Research
- Programming Techniques and Problem Solving
- Urban Social Field Work
- Term Viva
- Overall Performance

Third Trimester

- Database Management System-I
- e-Business
- Essentials of Organizational Behaviour
- Internet Marketing
- Management Information System
- Principles of Accounting
- Production and Operation Management
- Research Methodology
- Societal Analysis and Justice Concern
- Database Management System-II

The Gurus

he Institute is privileged to host highly qualified and experienced core faculty possessing industry exposure and teaching expertise. Institute also draws experts as guest faculty from other premier Institute and Industries. Apart from conducting the post graduate level programmes in management, the faculty also trains managers and administrators assignments and sponsored research projects. The faculty regularly participate in seminars, conferences and have numerous publications to their credit.

The faculty members bring their real-life experiences into the classroom and provide the students with firsthand information regarding business environment. They skillfully guide classroom discussions and encourage students to stretch their imaginations to reach a deeper understanding of issues, apply their analytical skills and arrive at creative solutions.

t XISS we believe in nurturing the talent and making them "Ready for the real world". The Placement Cell helps connect the Organizations with the talent at the Institute. We have tried to keep the entire campus placement process simple and convenient to all

The Placement Cell

The Campus Placement of the students of XISS is coordinated by the Central Placement Cell headed by the Chief Placement Coordinator. It works in unison with Departmental Placement Cells constituted of students' representatives. The Departmental Placement Cells are also guided by the senior faculty members.

For the convenience of the prospective employers, the Campus Placement Programme is detailed below:

Campus Placement commences on 25th October 2021 and finishes on 4th December 2021 in the first phase. The second phase commences on 5th January 2022 and ends on 25th April 2022. Interested organizations are requested to inform in advance the date on which

they wish to visit XISS for Campus Placement. They are also requested to indicate the facilities required for the selection procedure, viz. accommodation/transport facilities and bookings, etc.

Phase I 25th October 2021 to 04th December 2021

Phase II 05th January 2022 to 25th April 2022

On receiving communication from the interested organizations, the Placement Cell will allocate a date for PPT and the recruitment process. Group Discussions, Interviews and other methods of selection adopted by the organization are conducted in the campus. If required, students may be called for final interviews at the company's expense to its headquarters.

The Institute strictly follows "One Student - One Offer" policy. The candidates placed in one organization are not allowed to be the part of the placement activity for any other organization. If any student gets enlisted in more than one organization then the organization coming up with the final list first, has the opportunity to take that student in its organization.

On confirming the final selection, the appointment letter issued by the organization is sent to the candidate through the Placement Cell.

Pre-placement talk (PPT) & selection process

All the companies are expected to deliver a Pre-Placement Presentation to the students where all relevant information about the job may be discussed. If such a presentation is not possible on the part of the company, then it is requested to send all relevant details making use of the Permanent Placement Reply Format in advance to the Placement Co-ordinator. PPTs can also be held by the company just prior to the commencement of the Campus Placement Programme at the Institute.

Date of Joining

The students will complete their studies with all academic obligations by mid of April 2022. They will be ready to join the organizations on or after 25th May 2022. Students are allowed to join the organization only after completion of the studies.

Campus on Wheels

In the last few years, though interested to recruit from the Institute, some organizations have not been able to come down to the campus due to certain unavoidable reasons

With a view to accommodate the request of such organizations, the Institute has introduced "Campus on Wheels". The organizations interested in recruiting through "Campus on Wheels" should send the details of date, time, and location of the venue for the selection process through e-mail.

Video - Conferencing Facility

The Institute also provides video-conferencing facility for conducting the PPTs and selection process.

Human Resource

Management

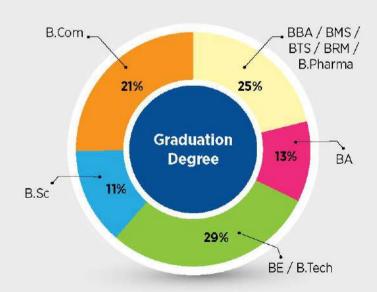

Prof. (Dr.) Ramakant Agrawal

Programme Head - Human Resource Management

PEO (Programme Education Objectives)

- To Nurture young would-be HR professionals with holistic Human Resource Management education.
- To Prepare HR Managers to understand and acquire the strategic skills and take on the emerging HR-IR Challenges.
- To Prepare future HR managers to understand and add value to business and act as a strategic business partners
- To Imbibe in the Students, the values of team spirit, character centric leadership, solidarity, compassion, and social responsibility.
- To Develop a strong and enquiring mind in the pursuit of acquiring knowledge and conducting research for making the world a better place to live.

PEO (Programme Education Objectives)

Program educational objectives are broad statements that describe the career and professional accomplishments that the program is preparing its graduates to achieve within a few years of graduation as follows:

- To develop managers with strong ethical values capable of playing a major role in business organisations in particular and the society at large.
- To equip the students with the right attitude, knowledge, and skills in areas of business management and information technology necessary to succeed in the data-intensive VUCA environment.
- To develop future information technology leaders, who can negotiate and navigate complex and changing IT landscape and its impacts on business management.
 - To encourage the guest for higher education, research, and development.
 - To make sustained efforts for the holistic development of students, enabling them to excel in their professional careers in information technology management and related disciplines.

Luminous Alumni

While celebrating its 65th glorious year of management education, Xavier Institute of Social Service, Ranchi enjoys one of the largest alumni networks among the business schools in India and considers it one of its biggest assets. Over the last six decades, students graduating from XISS, Ranchi have successfully taken up strategic positions and shouldered. critical responsibilities in the development sector and in the corporate world. Their success is a testimony to the quality of education and human values imparted throughout the two years of their stay in campus. Many of our

How to Reach & Where to Stay

Ranchi is well connected to all major cities by Rail, Road and Air Direct flights are operated by various airlines to Delhi, Kolkata, Mumbai and Patna.

Connecting flight services are also available from most of the airlines to other major towns. Number of options are available to have a comfortable stay at Ranchi. Hotel suiting to every budget are located within 0.5 KM to 5.0 KMs from the institute campus. The travel desk at the placement cell can make bookings on your behalf. Please feel free to contact us for any travel and hotel reservations. Local conveyance is arranged by the Placement Cell.
